

The background of the slide is a composite image. On the left, a large, detailed view of the Moon's surface with numerous craters. On the right, a view of the Earth from the Moon's surface, showing the blue oceans and green landmasses. The NASA logo is in the top right corner. The title 'Lunar Roadmap Request For Information Summary' is centered in white text. The date 'January 25, 2005' is at the bottom center.

# Lunar Roadmap Request For Information Summary

January 25, 2005

# Request for Information Summary

---

- **NASA sponsored a “Request For Information” from the public to solicit ideas and recommendations.**
- **58 responses were received on the subject of Lunar Explorations**
- **Responses were screened by a panel of Exploration scientists and managers and were categorized**
  - **4 papers are recommended for briefing to the committee**
    - **2 From International Space University**
    - **1 From Boeing NASA Systems**
    - **1 From Lockheed Martin**
  - **10 papers are recommended for the committee to read**
  - **9 papers were not relevant to the topic**
  - **34 papers were transferred to other groups (HR&T, LEAG, APIO)**
  - **1 paper was removed due to proprietary constraints**
